

**Together We'll Get Somewhere**

Isabella, gr. 6

Give Compassion  
Help in any fashion  
Love and Share  
Anytime, Anywhere!  
Just give a smile,  
Or walk a mile,  
And together we'll get somewhere

Once I helped a foundation  
And once I helped a friend  
And I even helped myself  
It came together in the end  
Sometimes you help your community  
Me, you, and our families,  
It could be volunteering,  
It might be picking up trash!  
It may even be just smiling,  
But not to get the cash!  
No, not just to get the cash

Use your talents  
Use your time  
Use your treasures all the time!  
Have compassion, love, and share  
Anytime and anywhere!

Use that beautiful heart of gold  
Oh so bright and oh so bold  
Take that step to get there  
Yes! Together we will get there  
Where friends and foes alike  
Will drown away dislike  
Community will form  
Through sun and through storm  
Because you did your part  
And used that golden heart

You may have to plough  
Through your soul but how?  
Be jovial and share,  
Anytime, anywhere  
Love, smile,  
Or maybe walk that mile,  
And together we will get somewhere  
Yes, together we will get somewhere
